## **Cartus Names Masters Cup Winners at 15th Annual Global Network Conference**

**DANBURY, Conn., (October 6, 2015)** – [Cartus Corporation](#), a leading provider of global relocation services, hosted its 15th annual Global Network Conference to celebrate service excellence among its supply chain partners. At a gala ceremony last night, Cartus awarded both Paramount Transportation Systems of Edison, New Jersey, and Irish Relocation of Kildare, Ireland, with the Masters Cup for overall excellence — the highest honors within the Cartus Global Network. Paramount Transportation Systems was named the top supplier in the category of household goods shippers; Irish Relocation was named the top supplier in the category of home services.

“Our conference theme, ‘A World of Opportunity,’ celebrates what we can accomplish when we work together and take advantage of every opportunity to learn and grow as the worldwide economy continues to improve,” said Cartus President and CEO Kevin J. Kelleher. “The annual Global Network Conference brings us together and offers a forum for all of us to learn from one another and continue to raise the bar on performance levels. It also celebrates the power of our suppliers’ association with Cartus and underscores the importance of our responsibilities to our clients and customers around the world, who depend on the expertise of our supply chain partners every day.”

The conference was held in Boston, Mass., Oct. 5-6. Four hundred members of the Cartus Global Network, representing 180 companies from 40 countries, attended the event in recognition of the extraordinary achievements of network members in serving Cartus’ clients and customers worldwide.

Also honored at the ceremony were those suppliers who have consistently delivered exceptional service to Cartus’ customers, as well as those who invested in innovations that improved service. Award winners were named at the platinum, gold, and silver levels in the categories of “Commitment to Excellence” and “Innovation.”
