Ian Payne, Executive Vice President Cartus EMEA & APAC, said of the wins, "Cartus is the world's leading relocation management company. We created the Relocation Agent Network 20 years ago as a key part of our UK business strategy. Today, Relocation Agent Network engages with and serves over 600 independently owned estate agency offices throughout the UK. Our partnership with our membership is immensely strong and the Network is founded on two driving principles: The quality of members selected to join and the work that we do to help them compete in their local and regional markets.

"I am extremely proud to see the Cartus Relocation Agent Network leadership, operations and communications teams recognised with these major estate agency awards. It tells us we are 'getting it right' today, providing great service and real value.
