## **Cartus Names Masters Cup Winners at 16th Annual Global Network Conference**

### **Global Relocation Services Leader Celebrates Supplier Excellence**

**DANBURY, Conn., (October 5, 2016)** – [Cartus Corporation](#), a leading provider of global relocation services, hosted its 16th annual Global Network Conference, October 3-4, to celebrate service excellence among its supply chain partners. At a gala ceremony following the conference, Cartus awarded both Elite Moving Systems of London, United Kingdom, and LARM, of Hollywood, Florida, with the Masters Cup for overall excellence — the highest honors within the Cartus Global Network. Elite Moving Systems was named the top supplier in the category of “All Things Moving.” LARM was named the top supplier in the category of “Home-Related Services.”

“As a regular practice, our Global Network members pull out all of the stops to provide exceptional results to our clients,” said Kevin Kelleher, President and CEO of Cartus. “This year, however, both of these companies went above and beyond these already high standards, providing superior results through exemplary dedication, performance and service. I’m proud to present Elite Moving Systems and LARM with the Cartus Masters Cup Award for 2016, the highest honor bestowed by Cartus to a member of our Global Network. It’s fitting that they are the recipients of this award, particularly because the theme our conference this year is all about exceeding customer expectations.”

The conference was held in Washington, D.C., with 390 members of the Cartus Global Network, representing 180 companies from 37 countries, attending the event in recognition of the extraordinary achievements of network members in serving Cartus’ clients and customers worldwide.

Also honored at the ceremony were those suppliers who have consistently delivered exceptional service to Cartus’ customers, as well as those who invested in innovations that improved service. Award winners were named at the platinum, gold, and silver levels in the categories of “Commitment to Excellence” and “Innovation.”

Each year at this event, Cartus also presents Global Citizenship Awards to companies from among its supplier network, for their commitment to making an impact on the health, welfare, and safety of others, and/or for improving a community’s quality of life on a national or international basis. This year, three companies were recognized as 2016 Global Citizenship winners: School Choice International of White Plains, New York, Relo Japan of Tokyo, Japan, and Arpin Group of West Warwick, Rhode Island. Cartus donated \$500, \$1,000 and \$2,500, respectively, to the organizations’ charitable funds.
