Cartus Receives Gold Level Stevie Award for Customer Service from American Business Awards

DANBURY, Conn., (May 11, 2017) – [Cartus Corporation](#), a leading provider of global relocation services, was honored with a 2017 Gold level Stevie® Award in the “Customer Service Department of the Year” category by American Business AwardsSM, the nation’s premier business awards program. This is the second Gold award for customer service that Cartus has received from the organization in as many years.

More than 3,600 nominations from organizations of all sizes and in virtually every industry were submitted this year for consideration in a wide range of categories, with more than 190 professionals worldwide participating in the judging process. Comments from judges who awarded Cartus the Gold included “*Superb customer service-oriented organization with excellent results,*” and “*Great, growing metrics ... terrific customer testimonials!*”

“Each year the judges find the quality and variety of the nominations to be greater than the year before. The 2017 competition was intense and every organization that has won should be proud,” said Michael Gallagher, president and founder of the Stevie Awards.

Kevin Kelleher, Cartus’ President and CEO, cited the dedication of every member of the Cartus organization to outstanding service as the foundation for the win. “Our entire focus is on flexible, customized solutions, responsive technology, and a keen understanding of the needs of our clients and their transferring employees,” Kelleher said. “Our ‘[Have Done, Will Do](#)’ commitment, which we showcase in real stories about those we help, is clearly at work here in this tremendous achievement, of which we are so proud.”

The awards will be presented at a Gala ceremony at the Marriott Marquis Hotel in New York on Tuesday, June 20. Details about The American Business Awards and the list of 2017 Stevie winners are available at www.StevieAwards.com/ABA.
